#### 2. THE RULING

As disclosed in the Ruling, in the course of enforcement, the Court conducted the first judicial online auction on 9 December 2025 through the JD Judicial Auction Online Platform in respect of the state-owned construction land use rights held by Hebei Tongfu located to the north of Dongyin Village, to the west of Yuxiang Street, and to

the east of Jianshe Avenue, Luancheng District, Shijiazhuang City, Hebei Province, the PRC (Real Estate Title Certificate No.: Ji (2020) Luancheng District Real Estate Title No. 0000046), with a site area of approximately 33,827.53 square metres (the “**Subject Property**”), with a reserve price of RMB205,000,000. The first auction failed as no bidder registered to participate.

The Applicant subsequently applied to the Court to take over the Subject Property in satisfaction of the principal debt owed to it at the failed first auction price of RMB205,000,000. Pursuant to the Ruling, the Court ruled, among other things, that:

- (i) the seizure over the Subject Property shall be released;
- (ii) the mortgage registration over the Subject Property (in favour of Hangzhou Guangyao Xingshu Equity Investment Partnership (Limited Partnership)\* (杭州光耀幸墅股權投資合夥企業(有限合夥)) as mortgagee) shall be cancelled;

The Group is not the party initiating the title transfer procedures and will only cooperate in accordance with the relevant requirements as necessary. The progress and timing of the title transfer are subject to the arrangements of the Applicant and the relevant authorities, and the Company does not have further details at this stage. The Company will make further disclosure in accordance with the Listing Rules.

Modern Green, an indirect wholly-owned subsidiary of the Company, is a joint and several guarantor in respect of the underlying debt of Hebei Tongfu to the Applicant. Following the delivery of the Subject Property to the Applicant in satisfaction of the principal debt pursuant to the Ruling, the amount of the underlying indebtedness owed by the Persons Subject to Enforcement (including Modern Green) to the Applicant will be correspondingly reduced by RMB205,000,000.

The Group is currently assessing the full financial and operational impact of the Ruling on the Group, including its impact on the Group’s consolidated financial statements. As at the date of this announcement, the assessment is ongoing and the Company is not yet in a position to quantify the ultimate accounting impact. The Company will make further announcement(s) as and when appropriate in accordance with the Listing Rules to keep its shareholders and potential investors informed of any material developments.
